### **REQUESTOR'S POSITION SUMMARY**

**Requestor's Position Summary:** "I am filing this MDR to appeal for appropriate payment on this claim and to preserve our rights. Since TDI moved to a 143% of DRG for inpatient services on 3/1/08 for hospital claims, we have reviewed the Medicare allowance and decided the insurance reimbursement does not meet this criteria. Medicare would have allowed this facility \$5,942.18 for DRG 92. At 143%, the total due is \$8,497.32. After their payment of \$8,432.07, a supplemental payment of \$65.25 is due."

**Amount in Dispute:** \$65.25

### **RESPONDENT'S POSITION SUMMARY**

**Respondent's Position Summary:** "Pursuant to Division of Workers' Compensation Rule 133.307, this letter is the response of Texas Association of School Boards Risk Management Fund (TASB) to Texas Health Forth Worth's request for fee dispute resolution. TASB submits the following documentation in support of its position: Per Rule 134.404 inpatient hospital bills are reimbursed at Medicare's allowable multiplied by 143% including implants or Medicare's allowable multiplied by 108% if implants are billed separate. TASBRMF reimbursed the date of service according to the current fee schedule. Medicare's allowable is \$5,896.55 per the PC Pricer (See Item 1) that is provided on CMS's website and multiply it by 143% which equals to \$8,432.07 that we reimbursed."

**Response Submitted by:** TASB Risk Management Fund

### **FINDINGS AND DECISION**

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

#### **Background**

1. 28 Texas Administrative Code §133.307 amended to be effective May 31, 2012, 37 Texas Register 3833, applicable to medical fee dispute resolution requests filed on or after June 1, 2012, sets out the

procedures for resolving a medical fee dispute.

2. 28 Texas Administrative Code §134.404 sets out the guidelines for reimbursement of hospital facility fees for inpatient services.
3. The services in dispute were reduced/denied by the respondent with the following reason codes:

Explanation of benefits dated September 28, 2012

- W1 – Workers Compensation State Fee Schedule Adjustment

Explanation of benefits dated December 07, 2012

- W1 – Workers Compensation State Fee Schedule Adjustment
- 193 – Original payment decision is being maintained. Upon review it was determined that this claim was processed properly

### **Issues**

1. Were the disputed services subject to a specific fee schedule set in a contract between the parties that complies with the requirements of Labor Code §413.011?
2. Which reimbursement calculation applies to the services in dispute?
3. What is the maximum allowable reimbursement for the services in dispute?
4. Is the requestor entitled to additional reimbursement for the disputed services?

### **Findings**

1. 28 Texas Administrative Code §134.404(e) states that: "Except as provided in subsection (h) of this section, regardless of billed amount, reimbursement shall be:
  - (1) the amount for the service that is included in a specific fee schedule set in a contract that complies with the requirements of Labor Code §413.011; or
  - (2) if no contracted fee schedule exists that complies with Labor Code §413.011, the maximum allowable reimbursement (MAR) amount under subsection (f) of this section, including any applicable outlier payment amounts and reimbursement for implantables."

No documentation was found to support the existence of a contractual agreement between the parties to this dispute; therefore the MAR can be established under §134.404(f).

2. §134.404(f) states that "The reimbursement calculation used for establishing the MAR shall be the Medicare facility specific amount, including outlier payment amounts, determined by applying the most recently adopted and effective Medicare Inpatient Prospective Payment System (IPPS) reimbursement formula and factors as published annually in the Federal Register. The following minimal modifications shall be applied.
  - (1) The sum of the Medicare facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by:
    - (A) 143 percent; unless
    - (B) a facility or surgical implant provider requests separate reimbursement in accordance with subsection (g) of this section, in which case the facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by 108 percent."

No documentation was found to support that the facility requested separate reimbursement for implantables; for that reason the MAR is calculated according to §134.404(f)(1)(A).

3. §134.404(f)(1)(A) establishes MAR by multiplying the most recently adopted and effective Medicare Inpatient Prospective Payment System (IPPS) reimbursement formula and factors (including outliers) by 143%. Information regarding the calculation of Medicare IPPS payment rates may be found at <http://www.cms.gov>. Documentation found supports that the DRG assigned to the services in dispute is 092, and that the services were provided at TX HEALTH FORTH WORTH. Consideration of the DRG, location of the services, and bill-specific information results in a total Medicare facility specific allowable amount of \$5,942.18. This amount multiplied by 143% results in a MAR of \$8,497.32.
4. The division concludes that the total allowable reimbursement for the services in dispute is \$8,497.32. The respondent issued payment in the amount of \$8,432.07. Based upon the documentation submitted, additional reimbursement in the amount of \$65.25 is recommended.

### **Conclusion**

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due.

## ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$65.25 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
